Action Taken Report of the Feedback Analysis from the Students 2020-21

Students feedback was analyzed and it emerged that no students commented on the adequacy of syllabus. However, a very few students commented that they were not able to fully understand English subject. Some number of students commented that English syllabus was to be covered with greater quality.

IQAC meeting was called to discuss about the analysis of the student feedback, And outcomes are as below

About the English syllabus transaction not being very clear was accepted by the faculty and he was new to job, he would try to improve.

Teachers Feedback Report and Action Taken on Curriculum as Minuted by the Principal 2020-21

The feedback on Curriculum by teachers is obtained from 23 teachers. Around 14 teachers are of the opinion that curriculum is very good. 9 teachers opinion is good. Negligible number of teachers opinion is satisfactory. From above fact it is concluded that curriculum is very good. And the report is brought to the notice of the Principal and placed in IQAC meeting. The committee decided that curriculum is suitable to the students. It also opined that no action is needed in this respect.

Action Taken Report of the Feedback Analysis from the Employer 2020-21

This feedback was received with lot of persuasion, most employers here had no idea of the syllabus, nor its transaction therefore they have provided a feedback in a ritualistic manner. So no cognizant is taken on the feedback from the employers.
