

The details of the performance of the institution in one area distinctive as its vision, priority and trust (key indicator 7.3)

Our institution is providing excellent and quality teaching to our students. Which would help them to shape their own character and career suitable to the development of the nation and that enables them to be self-reliant and to invite and be successful in greater global challenges and enterprise in their own lives. To provide life skills and value-based higher education with sound moral values.

Our vision is : Value Based Education for Nation Building and Global Competencies.

It is one of the prime higher education institutions in this area. It is providing education in Arts and Commerce streams. Raibag is one of the most backward talukas in Karnataka. It was deprived from the higher education institutions. It was observed keenly by the great visionary late president Shri. Vasant Rao Patil was to provide higher education to rural and backward area students in general and female students in particular.

The mission statement of our institution addresses the needs of the students and society at large, and at the same time it reveals the institutions traditions and value orientations and vision for the future generation. Provision of excellent, ethical and competent teaching to our students which would help them to develop their own character and career and to become self-reliant and be successful in national and global challenges, is the need of the students. We provide this type of education to all those students who get admission in our college. As our mission states, we work for the development of the nation and society at large is the tradition of our institution since its inception. The development of the nation and the concern towards social justice are the value orientations which are imbibed in our mission.

A good number of alumni have become magistrates, lawyers, principals, managers, educationalists, entrepreneurs, directors, chartered accountants, etc.
